Laptop	May 2020	428	0	430	
Printer	May 2020	114	0	120	
Totals			2136	3860	

Current values were based on depreciation to zero over 15 years (except for village sign, 20 years), but from 2013/14 the figure in the Audit Commission Annual Return should not be adjusted for depreciation or revaluation. The column previously headed 'Current Value' has therefore been amended to 'Annual Return Value'.
